*(e.g. What sticks out to you? What do you think is the main point? What do you learn about God? What do you learn about people? Do you have any questions?)*

☐ **Isaiah 35:5-6**

*How does Jesus fulfill this prophecy? Are there ways in which this is not yet fulfilled? How could it be fulfilled in the new heavens and the new earth?*

☐ **Matthew 14:19-21**

*In this passage Jesus fed 5,000 people in Galilee (most were Jewish). In chapter 15 he repeats the miracle but this time the majority of people would've been non-Jews. Why retell a similar story? Do you think its important for Jesus to extend his miraculous ministry to Gentiles?*

## **A**pplication:
