**Scripture:** Judges 19

### **Observation:**

*(e.g. What sticks out to you? What do you think is the main point? What do you learn about God? What do you learn about people? Do you have any questions?)*

### **Application:**

*(e.g. Sin to confess? Promise to claim? Attitude to change? Command to obey? Example to follow? Prayer to pray? Error to avoid? Truth to believe? Something to praise God for?)*

### **Prayer:**

## Extra Questions

### **Read Genesis 19:1-8**

What are some of the similarities you notice between Judges 19 and Genesis 19? Why do you think the author of Judges makes this comparison?

### **Read Romans 1:21-32**

Where do we see this happening in Judges, especially at the end of the book?

Where do we see it in the world today?

Where might we ourselves have ended up without God's saving and transforming grace? (Think about your own circumstances and history)
